SCHOOL OF
HOMEOPATHY

*Transform yourself and your life,
work in healthcare and help others.
The School of Homeopathy is
the longest running centre of
homeopathic education in the
UK. Since 1981 we have provided
homeopathic education up to
practitioner level to thousands of
students across the world. It is our
passion for advancing and spreading
homeopathy to the highest level that
has given our courses a leading edge
and helped to create a national and
international benchmark.*

Our courses can be taken by either part-time attendance or home study. The attendance course is run from Stroud, Gloucestershire. Classes are held one weekend a month, ten months of the year. This means you can manage your study alongside any work and family commitments.

Our cutting edge courses provides the knowledge and expertise to become a confident homeopath, with the focus on increasing your skills in case receiving, analysis and prescription. Clinical observation and case-work under supervision are also important aspects of your training, giving you all the preparation you need to practise professionally.

Attendance: You can enrol now for this advanced course, which starts in September at Hawkwood College, two miles from the lovely mill town of Stroud. Set in 42 acres of gardens, fields and woods, Hawkwood is a secluded, tranquil environment that is perfect for reflective study. The whole house is ours for the weekend, which means you can kick off your shoes, relax and socialise with students and faculty in front of the fire, or find a quiet nook to yourself.

Home study: Our home study programmes follow the same curriculum as our attendance course. They combine our finest teaching and resources collected across the years. Work from home, start whenever you like and study at your own pace. Choose between: e-learning (online) or correspondence (paper & post).

Practitioner Diploma Course

Our four-year Practitioner Diploma Course is designed for anyone interested in becoming a professional homeopath.

Throughout the course we endeavour to provide you with the highest quality teaching in the field, and firmly believe that we deliver a world-class curriculum that will enable you to confidently engage with a wide range of homeopathic theory and practice. This highly regarded course instils the expertise needed to become a competent and successful homeopath. By encompassing both classical and contemporary teachings, the course integrates classical homeopathy and emergent methodologies.

As well as its high standards of education the Practitioner Diploma Course is celebrated for taking its students on a journey of discovery, not only into the heart of homeopathy, but also into self-awareness and self-reflection. As a student, you are actively encouraged and supported to find your own style of expression on the path to becoming a practitioner. Offering a hands-on pathway to healing, the course integrates the development of self with the path to becoming a homeopath.

Upon successful completion of the course you will be awarded our world renowned Practitioner Advanced Diploma in Homeopathy, fully recognised by the Society of Homeopaths and other international organisations.

If you wish to undertake this course you will also be required to complete Alternative Training's Anatomy & Physiology and Pathology & Disease Courses unless you already have an equivalent training.
